BUSINESS OF THE DAY

A meeting was held with Land Title/Registrar, two personnel from the relevant divisions. The objective of the engagement with the family was to provide education regarding the location of their land at Dodowa Akwateng and to discuss the challenges pertaining to it.

Deliberations were made on possible means through which the family could raise GHS 100,000 to facilitate payment for the land title registration.

The family developed a strategic plan to raise **One Hundred Thousand Ghana Cedis (GHS 100,000)** for the land title registration. The amount is to be shared equally among the four clans, with each contributing **GHS 25,000**. The agreed mode of payment is **GHS 5,000 per month** for a period of five months, commencing on **1st September 2025** and concluding on **31st January 2026**.

As a second option, the family suggested offering **two plots of land** to the Lands Commission personnel as an incentive to fast-track the land title registration process.

Please let us make every effort to attend the upcoming meeting on 25th October 2025. The purpose of the meeting is to hold a final discussion on the Akwateng land title, review and account for funds received by the family, and provide updates on expenditures made by some family members on behalf of the family.

Thank you.

CLOSING

In the absence of any further discussions. Miss Doris Annor. moved for the motion to come to an end and was seconded by Victor Pinto.

The next meeting is proposed to be held this coming Friday or Saturday. I would appreciate feedback from members to determine which day will be most convenient.
